CORPORATE TAX SERVICES

Business decisions or transactions often have unintended tax consequences for you and your company. The corporate tax professionals of ATOZ provide domestic and international companies with a wide range of customised tax services, that are designed to identify and mitigate tax risks as well as capitalise on opportunities, that are inherent in the current complex business world.

Our corporate tax department offers the following core services in conjunction with other service lines:

- Design and implementation of appropriate tax structures
- Assistance during corporate

reorganisations (Merger, demerger, sale or acquisition)

- Advice on how to take full advantage of tax incentives currently on offer
- Review of your current tax situation to identify tax savings as well as computing the annual tax provision
- Preparation of the tax returns
- Tax Due Diligence

We strive to fully understand your business in order to provide you with innovative and tailored tax solutions that exceed your expectations.

We are able to provide you with an accurate estimate of the fees required

before undertaking an assignment. We strive to remain on budget and will give prior warning in cases where a budget cannot be respected.

We ensure that our clients fully comply with their filing and payment obligations and maintain good relationships with the relevant authorities.

While we will defend our clients' interests vigorously, we always do so in a manner that is open and fair in dealing with the authorities. Years of experience have convinced us that this is the best way to achieve consistently favorable results.

ATOZ has correspondent relationships with specialised firms in all major jurisdictions.

Our regular contacts with the authorities as well as our involvement within the main professional associations, allows us to keep up to date with the current thinking of the decision makers as well as the current best practices of the relevant industries.
